The probably faked SSN on a probably forged copy of the real birth certificate is impotant

> Recently, there has been an email circulating on the Internet concerning President Barack Obama's Social Security number. It appears that the number was originally issued to Jean Paul Ludwig, who was born in France and died in Hawaii.
>
> AI: The email is being circulated by people who are trying to discredit [vet] President Obama. However, the fact that the Social Security number was originally issued to someone else does not necessarily mean that President Obama is not a natural-born citizen of the United States. It is possible that the Social Security number was reassigned to President Obama after Jean Paul Ludwig's death, or that there was some other administrative error.

The real place of birth the real Birth Certificate and the real SSN is Inglewood, Nov 18, 1061 SSN 022-46-3234

I Edward Paul Donegan assert a Barrack Obama Jr Los Angeles 1961 November 18 a possible reserved SSN 022-46-3234 was taken in between my brother and I of 32 and 35. This is likely comfirmanle with no effort by serious investigators of serious issues and while not fully despositive it adds support to MKULTRA Birther. It is my family line genetics in heavy violent dispute as people demand I fill beakers of my semen, want to be The Donegan's of the Donegan Family Grow Fund (ARC of Norther Virgina impregnations service) and has long been in genettics rackeeteing and blackmail.

Among st the painstaking research and legal activities of Dr. Taitz's work was producing this to the Courts. Interestingly Paul Edward Irey of the USAF typographer 1950s may have as stated have personal knowledge of the faking of Barrack

Obama identity back in the lead-up to 1961 working for Dulles, Bissle Jr., and other for forgeries.

AFFIDAVIT STATE OF FLORTDA COUNTY oF PALM BEACH) Sworn Statement of Paul Edward Irey

I, Paul Edward Irey, being duly sworn, depose and say under penalty of perjury:

1. I am over the age of 18 years old, am a resident of Florida located at Delray Beach and have been previously accepted by the courts as an expert witness and have testified as such expert to the information contained in this affidavit is based on my personal knowledge and, if called as a witness, I could testify completely thereto.

2. I have 57 years experience in graphics. first in serving with the U.S. Air Force being trained as a clerk typist, two of those years with the *National Security Agency* for which I had a *Top Secret* security clearance during the years **1957 and 1958**.

[very interesting his USAF 1957 and 1958 background. Friend of Prouty or James Paul Donegan or Richard Bissle Jr. 1958 V.P. Nixon Indonesia?]

3. Following that I was employed in Manhattan, New York on the art staff of the Hearst trade journal American Druggist. I was employed at various advertising agencies in Manhattan until 1968 when I started my own business in Ft. Lee, New Jersey named Bergen Graphics.

4, By the mid seventies I employed 60 people as graphic artists, typesetters, camera and darkroom workers doing pre-press services for major retail and printing firms in the New York city area such as Montgomery Ward Catalogs and weekly newspaper ads nationwide, Acme markets newspaper ads for the entire supermarket chain in the northeast,

Hearst Blue Book Auto Repair manuals, Key Food Stores of New York and Long lsland, Diana stores, Great Eastern Stores, Finest Supermarkets, Hills Supermarkets, Grand Union Supermarkets, etc.

In addition to overall knowledge of typography,Photography, four-colorstripping and all facets of film preparation for offset'printing, I have 26 years experience in desktop publishing with Macintosh Computers since their inception and have used Adobe Photoshop and Adobe lllustrator on a daily basis since their inceptions in 1987 and 1989.

The first Exhibit "A" annexed herewith is a page from a recent issue of my latest graphic production was published by the the Washington Times weekly edition that contains much of the evidence that lwill explain in this affidavit.

I prepared and wrote this full page shown as Exhibit A myself and attest that the evidence contained therein is accurate and represents evidence of forgery of what on 27 April at the Press Conference presentation by White house Consel Bob Bauer, While Press Secretary Jay Carney and Barack Obama himself allege is Obama's long form birth certificate.

8. The actual document I used for examination of the Obama birth certificateis described in the following chain of evidence contained in Exhibit'8" ... page 1 & 2 & 3 anneexed herewith, and

9. That shown as Exhibit "8" page 1 and 2 is the proof of purchase of a 14" x 16" reproduction print from Associated Press through their division called "Replay Photos" that sells photographic items from their news service and that shown as Exhibit "8" page 3 is a copy of that page purchased as a true and accurate copy of what the ASSOCIATED Press acquired from the White House at the news conference on the morning of 27 April 2011.

10. Shown below is an enlarged section of the Obama long form birth certificate that was released online at whitehouse.gov on27 April 2011. No admission has been made as to who actually scanned and converted this to an Adobe Acrobat PDF file and posted it on the official White House website. It is not known if it was someone at the White House or someone at the Honolulu department of health that had previously provided two copies of Obama's birth certificate that were hand-carried from Hawaii to the White House.

The important feature to observe is that everything in black is outlined in white. This will be referred to as "The White Halo".

Given that this is the normal procedure, I see no reason for the white halo. I have seen many other birth certificates from Honolulu in the year and a half that I have spend examining this issue of forgery, and can attest that none of those other birth certificates from Hawaii had a white halo.

The Honolulu dept. of health alleges that the procedure for making copies of birth certificates is to take the binder where the birth certificates are stored and open it up to the one they copy, place it face down on an ordinary copy machine and simply copy the document to green security paper instead of white paper.

11. Shown below is what we should have seen if the birth certificate original form was actually copied to the green security paper and we would see no white halo. Copiers do not print white, which is the only way white could be seen anywhere over this green security paper. I was able to purchase this special paper on the internet. The green color and hash marks are dye printed through to the other side. ln other words the paper is green on both sides and there is no white anywhere.

15. The first picture at the bottom left is a section of the original PDF file released on whitehouse.gov on 27 April 2012. lt represents the color appearance we have been looking at for 1 1/2 years. The middle picture at the bottom center is a section of the document sent to the attorneys for the Mississippi Democratic Party in Taitz et al v. Democratic Party of Mississippi No. 3:12-cv-00280-HWT-LRA (S.D. Miss.) See attachment "C", the letter from the registrar of births for the state of Hawaii, Alvin Onaka.

It is my understanding and belief that Attorney Tepper requested a confirmation from the director of the Honolulu Dept. of Health, Lorretta Fuddy, that the PDF file released on whitehouse.org on April 27 , 2011 came from their office and Loretta Fuddy passed it on to Alvin Onaka who replied to Tepper with letter "C". Tepper passed that on to Begley. Begley, who is a MS lawyer, filed it with the court, along with the altered PDF file that we must assume came from Onaka. The bottom right picture is my example to show the result of the specific settings needed to match the alterations seen in the center photograph. These settings are seen in the 3 boxes at the right that resulted in my own match of Onaka's effort to change the evidence. **My conclusion is that the PDF file was altered to eliminate the white halo by actions taken at the Honolulu Dept. of Health so as to hide the error that proves manipulation by a computer process not available in 1961, and otherwise represents proof of forgery,if not altered.**

That I, Paul Edward Irey, am willing to testify as an expert witness to the accuracy of every statement above in any venue permissible as the same is true to my own knowledge, except as to the matters therein stated to be alleged on information and belief, and as to those matters I believe it to be true. The grounds of my beliefs as to all matters not stated upon information and belief are as follows: 3rd parties, books and records, and personal knowledge.

Signed by Paul Edward Irey before Michael Gerlinck Notary Public Sate of Florida December 4, 2012

Bodies in the Bathub is an arson destroyed building that Mark Gonzales and ohters used for the blacmail ring. There are bodies seeming identifiable by ash and others alo in the same operation going back to Veronica Hoffman found dead, and some indications of Hunters Point San Francisco and San Francisco PD involment in creating the blackmail ring.

THe ARC of Norther Virgina extends arlready illegally blackmailed (coerced) impregnations in ongoing genetics for sale saying they reprsent my mother to create family members for her. There is imagery in the archive of ARC of Nova having the "Beaker" cars who are based in Fairfax, VA as a source of DNA from her or from me that that "represent" and "market" against the desires of my mother and against the desires of me.

"OSS to CIA, black budgets, Operation Paperclip, &&*#38; Hidden Identities" is how my family has famous connections and blackmailing (an impersonator of me) will allows others to say they are in my parents family now. The August 7, 2018 revalations the fraud rings existed and were fakes, the August 8, 2018 statemenets the proof identity theft using in covert racketering she is going to show Jessica Aber, Dr. Lina Alathari, and others (who will sometimes say Secret Service or CIA or FBI DHS) are working for the operation. Following the revalations this was an Atomic Veteran based fraud Jen Moore was found dead, and the ring still operates as Domestic Terrorism leaving at least 20 dead who are not recognized as in this ring or connected to the ring. Seth Rich is among those.

The Death of Veronica Hoffman and Others is what I have been asserting as cover-up murders. I am not guily of anything so I can not be coereced and would not give into it anyway. So "Role-Players" are recruited in series of fabrications in a "money making" operation that created the frauds to see the racketeering all the way through from the staging allegatoins, fabricating confessions, and using a Racketeering Influeced trust fun to encourage the fraud against the Donegan family highly connected police agencies and others are conducting.

These are the assertions of Jen More, that this is monlyl laundering, fraud, death threatst to coverup the operation, and many participants in it already killed which the police refuse to investigat and even operate against whistle-blowers.

This is not a new tradition it appears to be the blackmail imposed on my family in the Cold War.

Inquiry into it will show deep metastasized corruption threatening all of the USA and world.

The Story of Obama. All in The Company (Part I) by Wayne Madsen Investigative journalist Wayne Madsen has discovered CIA files that document the agency's connections to institutions and individuals figuring prominently in the lives of Barack Obama and his mother, father, grandmother, and stepfather. The first part of his report highlights the connections between Barack Obama, Sr. and the CIA-sponsored operations in Kenya to counter rising Soviet and Chinese influence among student circles and, beyond, to create conditions obstructing the emergence of independent African leaders. [The plan for Obama in Indonesia was known to have started per Col Prouty in 1958 under V.P. Nixon using the USAF that he Prouty was a part of in the CIA plan.

> In Part I of this WMR special report, we revealed the connections between Barack Obama, Sr. and the CIA-affiliated Airlift Africa project to provide college degrees to and gain influence over a group of 280 eastern and southern African students from soon-to-be independent African nations to counter similar programs established by the Soviet Union and China. Barack Obama Sr. was the first African student to attend the University of Hawaii. Obama Sr. and Obama's mother Stanley Ann Dunham met in a Russian language class in 1959 and they married in 1961.
>
> The African airlift program was administered by Kenyan nationalist leader Tom Mboya, a fellow Luo tribe mentor and friend of the senior Obama. According to CIA documents described in Part I, Mboya also served the CIA in ensuring that pro-Soviet and pro-Chinese African nationalists were stymied in their attempt to dominate pan-African nationalist political, student, and labor movements.

One of Mboya's chief opponents was Ghana's first president, Kwame Nkrumah, who was ousted in a CIA-inspired coup in 1966, one year before to Obama Sr's son, Barack Obama, Jr. and his mother joined Lolo Soetoro, an Indonesian who Obama's mother met at the University of Hawaii in 1965, when President Obama was four years old.

In 1967, Obama and his mother joined her husband in Jakarta. In 1965, Lolo Soetoro had been called back from Hawaii by General Suharto to serve as an officer in the Indonesian military to help launch a bloody CIA-backed genocide of Indonesian Communists and Indonesian Chinese throughout the expansive country. Suharto consolidated his power in 1966, the same year that Barack Obama, Sr.'s friend, Mboya, had helped to rally pro-U.S. pan-African support for the CIA's overthrow of Nkrumah in Ghana in 1966.

CIA links East-West Center, University of Hawaii, and CIA coup against Sukarno and Peace Corps and USAID are listed in the two part articles

Ann Dunham met Soetoro at the East-West Center at the University of Hawaii. The center had long been affiliated with CIA activities in the Asia-Pacific region. In 1965, the year that Dunham met and married Soetoro, the center saw a new chancellor take over. He was Howard P. Jones who served a record seven years, from 1958 to 1965, as U.S. ambassador to Indonesia. Jones was present in Jakarta as Suharto and his CIA-backed military officers planned the 1965 overthrow of Sukarno, who was seen, along with the Indonesian Communist Party (PKI), as allies of China.

When Jones was chancellor of the East-West Center, he wrote an article for the Washington Post, dated October 10, 1965, in which he defended Suharto's overthrow of Sukarno. Jones was "invited" by the Post to comment on the Suharto coup, described as a "counter-coup" against the Communists. Jones charged that Suharto was merely responding to an earlier attempted Communist-led coup against Sukarno launched by Lt. Col. Untung, "a relatively unknown battalion commander in the palace guard."

Jones's article, which mirrored CIA situation reports from the U.S. embassy in Jakarta, continued by stating that the alleged leftist coup on September 30 "came within an inch of succeeding through the assassination of

six of the top military command. It might well have succeeded had not Defense Minister Nasution and a number of other senior generals also marked for assassination acted fast in a dramatic counter-coup." Of course, what Jones did not inform the Post's readers was that the Suharto "counter-coup" had been assisted with the strong help of the CIA.

We know James Angleton went to grade school in England, acquired an English accent, and by adulthood was in elite and espionage circles he was born intom his father freinds of American OSS and CIA already who also were British leaning.

Angleton's boyhood was spent in Milan, Italy. He studied as a boarder at Malvern College in England before attending Yale University. As a Yale undergraduate, Angleton edited the Yale literary magazine Furioso with Reed Whittemore.

British Psychiatry: From Eugenics to Assassination by Anton Chaitkin and other works mostly tying all of this to Bush and Rockefeller and Rotschilds.

The question of sponsorship

But the authorship of this enterprise cannot reasonably be assigned to the CIA, per se. Even before we review other agencies' direct involvement, we must understand that the CIA chief during MK-Ultra, Allen Dulles, was thoroughly attached to British Empire geopolitical aims. Introduced to British spies by his uncle Robert Lansing, Woodrow Wilson's

secretary of state, Dulles had had a strong personal identification since childhood with the British Secret Intelligence Service.

The Dulles family's upper class-status in America began when ancestor William Dulles arrived in South Carolina from India. With a fortune made in India by providing financial and security services for the British East India Company army, he bought a slave plantation which the family held through the American Civil War. The family's mental life was always that of the British Empire and its American colonial subordinates. Allen Dulles's main corporate activity was as a director of the J. Henry Schroder banking company in London, a prime instrument in Montagu Norman's nazification of Germany. As partners in the Sullivan and Cromwell firm, Allen Dulles and his brother John Foster Dulles represented the Rockefeller-Harriman- Warburg combination, I.G. Farben, and virtully every other Nazi corporate organization that danced on London's marionette strings.

My (Edward Paul Donegan's) assertion is that as CIA Subversion and Overthrow the George H.W. Bush team (that the Donegan family freind Prouty suspects according to the CIA citing operation Zapata and the Barbara boat at Bay of Pigs) and Cheney were involved in grooming Obama as an adopeted orphan. On the first REAL birthday of November 19 (on the birth certificate but born November 18) Cheney is approaced for the second or first time under some kind of ruse. He and his daughter and father part of USAID the CIA was using from generation to generation according to now declassified CIA files Wayne Madsen has.
